Edgeley, Kulm, and LaMoure

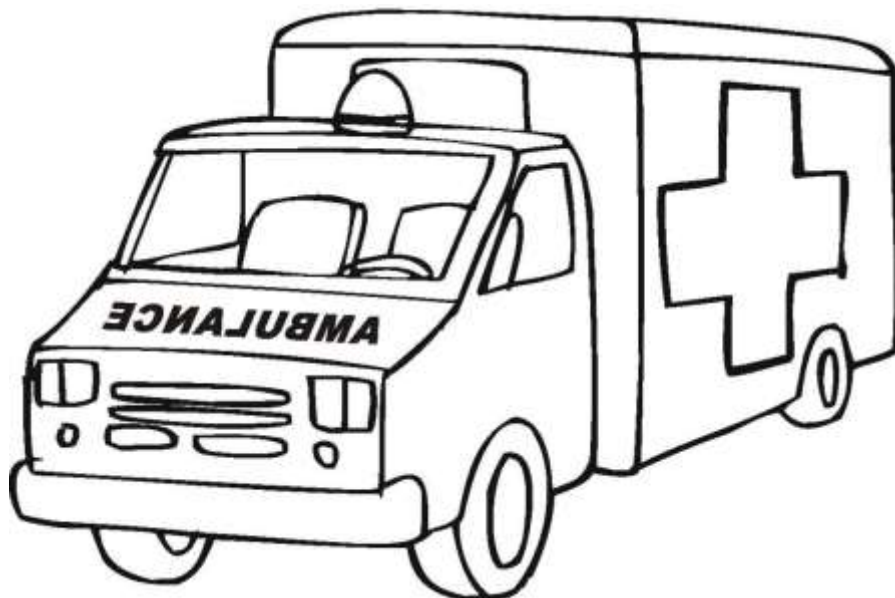

This is the "Star of Life".

*It represents the ambulance and
Emergency Medical Services – EMS!*

It is Blue and White.

*Dial 9-1-1 on any phone if
you have an emergency
and need the ambulance,
fire department, sheriff or
police right away!*

*An Emergency Medical Technician
(EMT) is trained to help you. They
are from your community. Some
of our EMTs are teachers, nurses,
and even your neighbors!*

An ambulance will take people to a hospital emergency room.
