

OFFICIAL PROCEEDINGS OF THE LAMOURE COUNTY PARK BOARD- September 1, 2026

The LaMoure County Park Board met Tuesday, September 1, 2026 at 9:05 am at the LaMoure County Commissioner room board members Jason Weigel, Bruce Klein, Bob Flath, Wayne Wald, and Billi Warcken present. Board member Curwood Seefeldt was absent. Kevin Shockman, park manager, also not in attendance. Also attending Jan Hamlin, Auditor and State's attorney Fallon Kelly.

Meeting was called to Order. Electric upgrade to the "old playground" pedestals discussed. There was an outage over July 4th weekend. The other pedestals have had an upgrade in 2022. Jason will talk to Doyle about an estimate and if it can be done later this fall and also about a light pole at the entrance. The Auditors office wanted clarification on reservations. Their understanding is that only holiday weekends and Hot Rodder weekend is by reservation. The Board at the Feb 21, 2023 meeting had decided and approved this policy. The sign at the park also states this. Park manager has been taking reservations all summer. At the spring meeting the Board will make a firm policy that all parties must adhere too. Wayne will talk to Kevin about his plan for returning and/or if any current employee has expressed interest in the park manager job. Billi had asked about a specific budget line item for trees as there is quite the expense in removal and has been some donations for tree planting in memory of loved ones. Jan will look into if there are numbers available but in the meantime park manager should be keeping track that donated money is appropriately applied. Security for Labor Day weekend has been budgeted for and is up to the Sheriff's Dept. There won't be insect spraying done as it is the monarch migration.

Next meeting November 5, 2026 at Commissioner meeting.

Adjourned: 9:36

APPROVED THIS 15th DAY OF September, 2026

Bruce Klein, Chairman

ATTEST:

BILLI WARCKEN, Secretary
